

# PRE-CALL

## CONVERSATION QUESTIONS

### What does a day in your role/industry look like?

- Do you work in an office/onsite/remote/travel/combination?
- What projects are you currently working on?
- What hours do you work?
- What is your favourite part of your job and why?
- What has your experience been working in a male-dominated industry?

### What did your pathway look like from school to your current role?

- What subjects did you study at school?
- What can I start doing now if I would like to go into your line of work?
- Does this role require university/diploma qualifications? If so, please provide further detail.
- What made you want to go into this industry? (e.g a conversation/influential person).
- Is this your first role within the industry? If not, what has your journey looked like?

### What personality traits and unique experiences are assets in your role?

- What kind of challenges have you faced and how have you navigated them?
- Did your personality type or the way you learn affect the career you chose?
- What is your version of success and how have you worked toward it?
- Where did you grow up? How has this influenced your career journey?
- Are there any hobbies you enjoy for work/life balance or that enhance your skills?
