Session Questions

PLEASE PRINT OUT FOR YOUR STUDENTS
TO USE DURING THE SESSION

Understanding the Advisors Role:

- What does a day in your role or industry look like?
- Do you work in an office, onsite, remotely or do you travel regularly?
- What projects are you currently working on?
- What hours do you typically work?
- What is your favourite part of your job and why?
- What has your experience been working in a male-dominated industry?

Career Journey:

- What did your pathway from school to your current role look like?
- What subjects did you study at school?
- What can I start doing now if I'd like to work in your industry?
- Does this role require university, TAFE or other qualifications?
- What inspired you to pursue this career?
- Is this your first role in the industry?

Beyond the Job:

- What challenges have you faced, and how have you overcome them?
- Did your personality or learning style influence your career choices?
- What does success mean to you, and how have you worked towards it?
- Where did you grow up, and has that influenced your career journey?
- What hobbies/interests help you maintain work-life balance or strengthen your skills?
- What personality traits or unique experiences have helped you succeed in your role?
